CONFERENCES AT STANTON MANOR

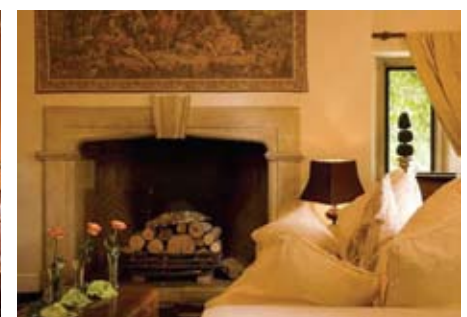

When you are looking for a venue for a small meeting, a larger conference, product launch, client entertaining or team building days, Stanton Manor can offer something different in a beautiful setting to inspire your staff, colleagues and customers.

This stunning Cotswolds hotel is conveniently situated just minutes from junction 17 of the M4 motorway, in beautiful countryside. It is only a short drive to the nearby town of Chippenham and the historic cities of Bath and Bristol in South West England, and only 90 minutes drive from London or just over an hour from Cardiff.

With 4 individual rooms to choose from and lovely grounds, Stanton Manor is sure to be able to accommodate your event. Our rooms are very flexible and can be set up for conferences or dining, with different locations around the hotel, allowing privacy for your event. Whether it's for training sessions, formal meetings, interviews or private dining, Stanton Manor has a room that will suit your needs.

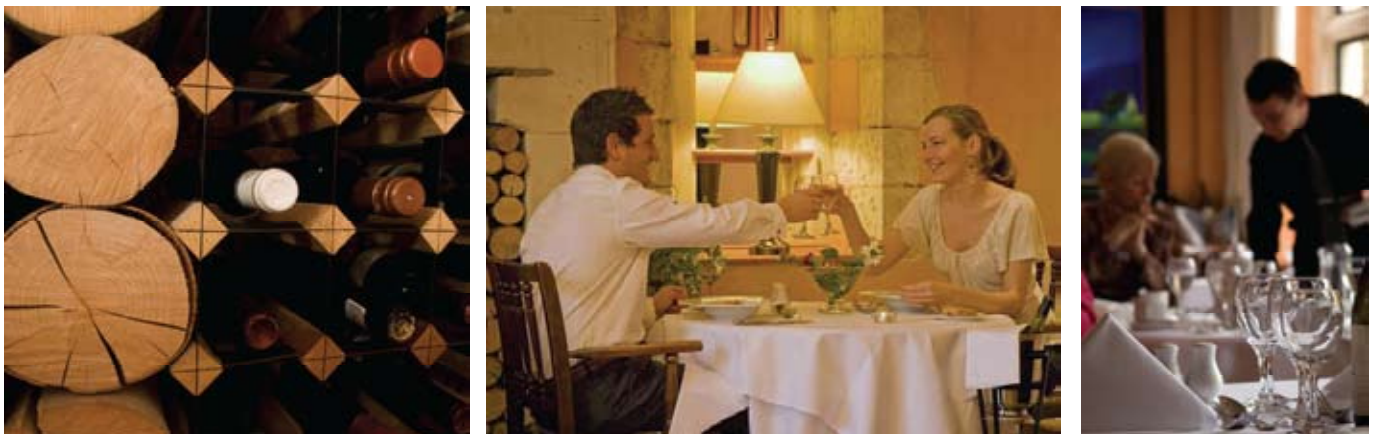

We will provide TV, Video, OHP and Screen, Projector and Flipchart and free Wireless Broadband access. Other services available are direct dial telephones, server computer, photocopying and faxes. Our Conference Suite has 32 computer points, to enable training if necessary. The outside space offers a Pitch and Putt Golf Course, a Croquet lawn, and Marquee hire is available.

Stanton Manor has 23 bedrooms, many of which are individually designed and have been refurbished with new luxury beds, furniture and colour televisions. The hotel has a variety of different styles of rooms from four poster and king size rooms with luxury en-suite bathrooms to double and family rooms. There are also wheelchair accessible rooms on the ground floor. Our deluxe and family suites have spectacular views over the gardens to the south of the village or church to the north.

The Gallery Restaurant & Bar have been completely refurbished, and a new menu has been created by our Head Chef. The cuisine is mainly traditional European with most ingredients sourced locally wherever possible. There is an extensive wine and champagne list, and we will source anything you may require. Our Restaurant has recently been awarded an AA Rosette and our Head Chef won the Chef of the Year for the South West in 2008.

We can provide your delegates with different options to the normal tea, coffee and cakes. Why not add some chocolates or Red Bull to your break in the afternoon to boost their energy? Wake them up on arrival with Bacon Rolls, or for the health conscious amongst you, a basket of fresh fruit.

A homemade seasonal Buffet lunch is provided for conferences, either in the meeting room or in a separate area. We understand that time is important to you, and we will arrange for your breaks and lunch to be served at any time requested. For delegates attending meetings for more than one day, we will vary the menu for you. If you would like hot buffet lunches or 3-course lunches, or if there is anything else you require, this is available at an additional cost.
